

## **Public Notice**

The City of Hollister (City) is preparing an Environmental Impact Report (EIR) for the City of Hollister Domestic Wastewater System Improvements (DWSI) Project and San Benito County Water District Recycled Water Facility (RWF) Project. The EIR will address the potential environmental impacts of planned improvements to the City's Domestic Wastewater Treatment Plant located near the intersection of State Route 156 and San Juan-Hollister Road. The EIR will also address the disposal and recycled use of treated effluent. The City is holding a meeting to solicit input on the scope of issues that should be addressed in the EIR.

### **EIR Scoping Meeting**
